Carrier Branch****RESOLUTION T-16754
August 21, 2003****R E S O L U T I O N****Resolution T-16754. Voluntary Revocation Of Certificates Of Public Convenience And Necessity Of Two Telecommunications Carriers.**

Summary

This resolution revokes, at the request of the companies, Certificates of Public Conveniences and Necessity (CPCNs) held by the two companies listed in the Discussion Section.

Background

The two companies listed in the Discussion section below were certificated by the Commission in the specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

Discussion

The companies that would be revoked by this resolution are the following:

	<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	IER	6376	Alarm One, Inc.
2.	IEC/CLC	6402	Western Telephone Integrated

Each of the above companies has sent either a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 1,000 long distance, and 300 competitive local carriers authorized to do business in these markets.

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled.

According to TD records, these companies have not remitted surcharges and/or submitted transmittal forms for the entire period each held its CPCN. Therefore, the Legal Division may, if it chooses, pursue the companies for any owed surcharges.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

Findings

1. The companies on the above list were certificated by the Commission in the indicated markets.
2. The companies requested by letter or advice letter that their CPCNs be revoked.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.
4. These companies may owe additional surcharges. The Legal Division may pursue the companies, if it chooses, for any owed surcharges.

THEREFORE, IT IS ORDERED that:

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	IER	6376	Alarm One, Inc.
2.	IEC/CLC	6402	Western Telephone Integrated

2. The companies' Utility Identification Numbers are canceled (in the cases where they hold no other CPCNs) and will not be reissued.
3. The Legal Division may, if it chooses, pursue these companies for any owed surcharges.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on August 21, 2003. The following Commissioners approved it:
